

Davis & Elkins College™

Division of Business & Entrepreneurship BS Four-Year Degree Plan (Accounting)

This is a model four-year graduation plan. Your path to graduation may vary based on factors such as college credit you earned while in high school, your choice of general education electives, availability of courses, and your placement in English and mathematics.

This degree program can be completed in eight semesters. Check out the [course rotations](#) before scheduling your classes. Visit with your adviser to develop a plan that is right for you.

The following degree plan is based on the general education program instituted in Fall 2015. For the previous general education requirements, please access the appropriate catalog.

Year 1

Fall		Winter		Spring	
Course	Credits	Course	Credits	Course	Credits

RELG/PHL	3			ACCT 415 – Advanced Accounting	3
Total	13				12

Notes:

This plan is not a contract curriculum and can change.

If you do not take any optional winter term classes, and you elect to take the lowest recommended number of credits each semester, you will not have enough credits to graduate in four years. You need a total of 124 credits, not including FND courses.
