

Davis & Elkins College is a residential college. As such, it is required that all full-time students are expected to live on campus. If a student wishes to live off campus, he/she must submit an Off-Campus Housing Request through the Office of Student Life. Approval for off campus housing will only be granted to those who meet **ALL** of the following criteria:

- 90 or more semester hours earned
- 21 years of age or older
- A 2.50 or higher cumulative GPA.

An international student may be granted to live off-campus if he/she is over 23 years of age or older.

Should a student decide to live off campus without going through the proper procedures to gain approval, the student will be billed for board and the cost of double occupancy in the residence hall system.

Request must be made prior to the start of class. Please contact the International Student Liaison by any means below:
