

## Four-year student plans

This is a model four-year graduation plan. Your path to graduation may vary based on factors such as college credit you earned while in high school, your choice of general education electives, availability of courses and your placement in English and Mathematics.

This degree program can be completed in eight semesters. Check out the [course rotations](#) before scheduling your classes. Visit with your advisor to develop a plan that is right for you.

The following degree plan is based on the general education program instituted in Fall 2017. For the previous general education requirements, please access these from the appropriate catalog.
