

1. To apply for graduation you must print and attach a degree audit to this application. Note remaining coursework to be completed on the audit and indicate what term and year the course(s) will be taken. You and your advisor(s) will be notified once your audit has been approved.
2. Your entire academic program should be indicated on this form and must match your Form 26 on file.
3. For a double major you will earn the degree of your primary major. Both majors are listed on the diploma. (See the College Catalog for requirements of a double major or a second degree.)
4. Upon successful completion of all outstanding course work and a final review of the degree requirements, you will be awarded your degree.
