This chart reflects all tests administered by and/or reported to Student Health Services and the Office of Human Resources. The results have been verified by college officials and shared with local health authorities. Ongoing testing will take place throughout the semester. The dates of entry indicate significant changes in one or more of the categories.

Current Student Positivity Rate:	1.23%
Current Employee Positivity Rate:	3.01%
Current Campus Positivity Rate:	1.32%
