Honor Roll of Donors 2020-2021

The faculty, staff and most importantly, the students of Davis & Elkins College are very grateful for the generosity of those who make giving to D&E a priority in their philanthropy. Your gifts provide the foundation that enables us to carry out our mission to deliver a transformational educational experience where faculty encourage exploration, students are challenged to pursue excellence and where support and guidance are offered to ensure success. Especially during this challenging time, your gifts have provided scholarships, updated technology, academic resources and a comfortable living and learning environment.

Thank you for your contributions and for investing in the future of Davis & Elkins College.

Donors listed represent gifts received during our fiscal year July 1, 2020 to June 30, 2021.

1904 Society

Members of the 1904 Society are our leadership donors who generously made gifts of \$1,000 or more over the course of the fiscal year.

THE HERITAGE SOCIETY

The Heritage Society recognizes those who have provided a future gift to Davis & Elkins College by establishing a life income gift, by naming the College as a beneficiary of a life insurance policy or retirement fund, or by establishing a bequest for a scholarship or other purpose. There is no more profound way to express loyalty and commitment to D&E than by including the College in one's charitable gift planning.

The following individuals have made such a commitment.
