Davis & Elkins College
DIVISION OF EDUCATION

The Davis & Elkins College teacher education program, in partnership with the larger education community, develops dedicated, effective, and thoughtful educators who prepare and inspire PreK-Adult students to engage with their world.

COURSEWORK

Students can major in Special Education Multi-Categorical BD, MI, SLD, K-6, 5-Adult, including or excluding Autism,

Students can double major in Elementary Education and Special Education in 4.5 years (some students are able to complete both of these majors in four years if they either enter college with some general education credit hours completed or are willing to take a few summer courses)

BA PROGRAMS

We offer two four-year BA programs in Special Education:

- Multi-categorical—BD, MI, SLD 5-Adult with Autism
- Multi-categorical—BD, MI, SLD 5-Adult without Autism

Please note, these are NOT endorsement programs these are full BA programs
