

Student Employment Handbook

2022-2023

Welcome! This handbook is designed to help our student employees understand what Davis & Elkins College expects from them and to better prepare you for the world of work after graduation. Your presence and contribution are invaluable to the overall mission of the College.

The purpose of this handbook is to inform student employees of basic policies and practices. Though you are expected to read, follow, and refer to the handbook, be aware that it is not a static document. The College will continually update its policies as circumstances change. The most recent version of the handbook is posted in the My D&E Portal section of www.dewv.edu and paper copies are available in the Business Office in LA202.

The current version of the Davis & Elkins College Policy Manual is also available to you at <https://www.dewv.edu/about/compliance-ethics/>.

Though the handbook is quite thorough, it does not contain the answer to every question. You may also refer to the Student Employment FAQ (Frequently Asked Questions) document also available in the My D&E Portal or in the Business Office.

Your questions are always welcome in the Business Office. All questions regarding student employment should be directed to the Payroll Coordinator. In their absence, questions may be directed to the Human Resources Director.

Employment Documentation:

- ✓ No employment is permitted to commence without the proper documentation on file with the Business Office. All student employees who are working for the first time, or whose employment has lapsed for more than six months, must complete tax documents, including State Withholding, W-4, and the Federal I-9. This paperwork must be completed prior to the first day of employment. You will be asked to show **original copies** of identification documents when completing these forms.
- ✓ **ALL** students (new and returning) **MUST** complete a Job Agreement and Acknowledgement of Student Employment Handbook form **each year**, without fail.
- ✓ Any student who works prior to completing all employment tax paperwork may be considered a volunteer.

Key Policies:

- ✓ Maximum hours permitted to work while classes are in session are **18 hours per week**. During school breaks (i.e. fall and spring breaks) students may work up to 20 hours per week. During summer, the Business Office will determine the maximum number of hours according to budget.
- ✓ Federal Work Study awards are valid for the academic year in which they are given. Any unused portion of an award does not carry over to the next year.
- ✓ **Any student employee who feels they need to discuss an employment related problem and does not feel comfortable discussing with their immediate supervisor, is urged to contact the Payroll Coordinator or Director of Human Resources.**

Confidentiality:

All student employees in the student employment program will be asked to read and sign a Student Confidentiality notice as part of this handbook. Federal law prohibits sharing any information you may learn about any D&E faculty, staff or students through your work as a student employee. Please refer to Statement of FERPA Understanding at the end of this document.

Communication:

Non-personal communication between staff and student employees will be through D&E email accounts, for both staff and students. **The Payroll Coordinator will communicate all important student employment information via email – you should check your D&E email account at least once each day.** Your supervisor will call you (on the phone number you provide) only if instantaneous communication is necessary.

Student employment can run smoothly only if everyone communicates freely with each other. Do not be afraid to ask for help if you need it. Leave notes. Ask for clarification if you do not understand a policy or procedure. Suggest new ideas for getting work done or for improving services. You're essential to the success of the student employment program, and we are very interested in what you have to say!

Scheduling:

Each office/department should provide student employees with a schedule of work in advance. Students are not permitted to miss class for work. If you have a conflict that will preclude you from working your shift, you **MUST** give your supervisor as much advance notice as possible of your absence. Missing a work shift without notice may result in suspension or termination. **If your supervisor asks you to work more than the maximum allowable hours per week, it is ultimately your responsibility to decline or obtain permission from the Payroll Coordinator.**

Timesheets:

All student employees use the same paper timesheet. Your supervisor should have them available for you, but you can also access them in the My D&E Portal section of www.dewv.edu or pick one up from the Payroll Coordinator.

Please note the following timesheet policies:

- ✓ Timesheets should be filled out legibly and completely to ensure accurate, timely processing. Only report actual hours worked. Time should be rounded to the nearest 15 minutes.
- ✓ You must calculate and total your hours for each week, as well as the total hours worked for the pay period. This is not your supervisor's responsibility.
- ✓ Timesheet deadlines are listed at the bottom of the timesheet. However, your supervisor may require timesheets to be submitted earlier than those dates to allow for approval time. Timesheets not received by the Payroll Coordinator on time may be held and processed on the next pay cycle.
- ✓ Working remotely from your dorm room or in common areas across campus is not permitted unless approved, in advance, with the Payroll Coordinator.
- ✓ **Falsifying or tampering with timesheets is a violation of federal and state law. This includes forging timesheet signatures, recording hours you did not work, submitting timesheets for someone else or clocking in and out for someone else. This is grounds for immediate termination.**

Payment:

There will be **one** student payroll per month during the academic year. Payment will be based on the number of hours worked, as reported on the timesheet. No advances on student pay will be made. Checks can be claimed from the cashier window on the second floor of Liberal Arts Hall on the last business day of each month. Please be prepared to show a photo ID. Checks are not permitted to be picked up by friends, family or anyone other than the employee whose name is printed on the check. **Davis & Elkins College does not currently offer direct deposit for student employees.**

Students who owe a balance to the College are expected to apply their monthly earnings directly to their student account, unless other arrangements for payment of their account have been made. Students who wish to have their paychecks applied directly to their student account will need to complete a Permission to Apply Form with the Business Office.

Student Employment Wage Scale:

All student employees will be paid at least the current West Virginia minimum wage.

Appropriate Office Attire:

Student employees should dress in a manner suitable for work in an institution of higher education. All student workers are expected to present a neat, clean, well-groomed, and appropriate appearance while at work. Students who come to work dressed inappropriately may be asked to change or go home. If your work location has a specific dress code they enforce, please follow their policy.

Appropriate attire includes:

- ✓ Dresses, skirts, jumpers of appropriate length for an office setting
- ✓ Blouses, dress shirts, sweaters, polo-style shirts
- ✓ Dress Pants, Khakis, or dark wash denim jeans (if clean and without fraying, holes, etc.)
- ✓ Sweat pants, gym shorts, and other athletic wear should only be worn if appropriate for the job
- ✓ Some positions on campus may require employees to wear a uniform

The following items are **not acceptable**:

- ✗ Clothing that shows an excessive amount of skin
- ✗ Extremely short shorts, skirts, or dresses
- ✗ Torn, ripped or fraying clothing
- ✗ Inappropriate slogans or wording on clothing, etc.

Cell Phones / Headphones / Laptop / Tablet Use:

Student employees should not place personal calls on their cell phones while working. If you have your cell phone with you while on the clock, always keep it out of sight. Leave it in your pocket, backpack, purse, etc., and be sure it's silenced. Using a phone distracts from your work and is bad customer service—customers don't want to wait until the end of your phone call or text to ask questions or be served.

Calling and texting also distracts you from your work and makes it difficult for staff to communicate with you. If you need to make or receive an emergency phone call or text, let a staff member know what you're doing, and step outside the work area to make your call.

While working, you may not listen to headphones or earbuds. Student work duties may include answering the phone and greeting customers – jobs that are hard to do if you are listening to headphones or earbuds. Students should also refrain from checking social media on work computers while on the clock.

Golf Cart:

Use of the golf cart is restricted to those students and employees who have completed both an online training course and an in-person test with Public Safety. This is required by D&E College insurance regulations and is for everyone's safety. If your position requires you to operate a golf cart, your supervisor should let the Payroll Coordinator know, so trainings can be assigned. The mandatory training must be completed before you are permitted to drive the golf cart.

Background Check:

Certain student employment positions will require a background check. If a background check is required, you will be asked to complete an authorization form with the Payroll Coordinator before you begin work. There is no charge to the student for this background check. The background check report may contain information regarding your criminal history, sex offender registry status, social security trace, and other information about you.

Evaluations & Satisfaction Surveys:

At the conclusion of each semester, supervisors are asked to evaluate the job performance of student employees. Supervisors should provide you with a copy of your evaluation. Supervisors should also explain, at the beginning of your employment, the standards to which you will be evaluated.

Additionally, student employees will be asked to complete a satisfaction survey at the end of each semester. This survey asks questions about your work on campus and allows you to give feedback on what you did and did not like about your job. Survey results are sent to the Payroll Coordinator and kept anonymous. All student employees are encouraged to participate in the survey, as their input is valuable in the continuation and improvement of on-campus employment.

Dismissal:

We hope never to dismiss our student employees. However, if you habitually fail to show up to work or disobey student employment policy, you may be dismissed from your position.

The following transgressions are grounds for **immediate dismissal**:

- ✓ No call / no show when scheduled to work. **One warning is standard before termination.**
- ✓ Falsifying timesheets (as described under the timesheet policy section).
- ✓ Leaving work without permission during your shift (walking off the job).
- ✓ Excessive tardiness or calling off work.
- ✓ Sleeping on the job.
- ✓ Theft, misuse, or destruction of College property.
- ✓ Refusal to perform duties as assigned.
- ✓ Reporting to work under the influence of alcohol or illegal drugs or using alcohol or illegal drugs on College property.
- ✓ Falsifying College records or violating faculty/staff/student confidentiality by disclosing data to unauthorized persons.
- ✓ Harassment or assault in any form: sexual, physical, verbal, etc.

- ✓ Assault of a fellow employee, official, individual doing business with the College or a member of the general public while at work or representing the College.
- ✓ For other, lesser offenses, it is typical to receive a verbal warning for the first offense, a written warning for a second offense, and termination for the third offense.

The College is committed to these rights. All people at the College are expected to treat each other in accordance with these rights. Faculty, staff, and students should be aware that any form of harassment and any form of illegal discrimination against any individual is inconsistent with the values and ideals of the College community.

Consensual Relations Policy:

In keeping with the College's Personnel Handbook, please be aware that relationships of a romantic or sexual nature with a non-student College employee are prohibited. Additionally, the College highly discourages such activities that may lead to the abuse or the appearance of abuse of this policy such as consuming alcohol with College employees, partying with, or accepting rides from non-student College employees.
