Davis & Elkins College
DIVISION OF MATHEMATICS & NATURAL SCIENCE

Mathematics, a vital resource in turning the abstract into the concrete, is a valuable skill across almost every discipline. Whether you choose to major in mathematics at D&E and then pursue graduate school or choose to major in Mathematics Education and go directly into the workforce to prepare the students of tomorrow, a D&E mathematics education has you covered!

UNIQUE COURSES

- Differential Equations
- The Language of Mathematics
- Probability Theory and Mathematical Statistics

GRADUATE SCHOOL PLACEMENTS

- University of Southern California
- West Virginia University
- Virginia Commonwealth University
- Shippensburg University

EMPLOYMENT PLACEMENTS

- Tata Group
- West Virginia Public Schools
- Maryland Public Schools
- Virginia Public Schools

13:1

Student to Faculty Ratio

45

Undergraduate Programs

<700

STUDENT SUCCESS STORY

Guillermo Hubsch graduated from Davis & Elkins College and graduated in 2016, with degrees in mathematics, finance and economics. He also found time to be a campus leader and president of the Student Assembly for two years. Gui is currently using his Davis & Elkins education to work as a financial analyst at PPL Corporation in Allentown, PA.

“The education I received during my time at D&E transformed me. I grew as a person and intellectually. After my four years, I felt prepared to face any challenge and to face the world.”

- Guillermo Hubsch, Class of 2016
