1. **No final exams are to be given early; all finals are to be given during the scheduled time during the December 7th – 10th examination period.**
2. **No course examinations, tests or major assignments may be required during the review days, the last two regular class days of the academic semester.**
3. TBA class examinations are scheduled by the faculty member of record in consultation with the class members and are to be given during examination week.
4. Students who find they have final examination conflicts or more than 2 examinations on one day should work out the conflict and make alternate arrangements with the faculty members involved. If suitable arrangements cannot be made, contact the Provost; faculty members with conflicts should contact the Provost.
5. Final examinations are scheduled in the regular classrooms. Any changes need to be approved by the Provost and then arranged in the Office of the Registrar. Changes will be posted by the faculty of record.
6. **Grade Reports are due in the Office of the Registrar by 3:00 pm on Friday, December 11th.**
